

## Club Seat Program

Located in the tower at Sam Boyd Stadium, The Club Seat Program is one of the most popular and exciting Luxury Seat options we offer.

Most of our Club Seat owners started as a one-time guest and the experience was so great that they bought their own membership.

In addition to all the great events that the Sam Boyd Stadium has to offer such as UNLV Football, Live Concerts, Supercross, Bowl Games, Monster Trucks etc. here are some of the reasons our members give for joining the Club Seat Program:

- Preferred parking
- Climate controlled reception area
- Private elevator access
- Great way to meet people
- Complimentary beverages
- Variety of events during the year
- Personalized nameplate on the seat
- Television monitors for close-up replays
- Private restrooms
- A good way to entertain friends and clients
- Complimentary food
- Best seats in the house

The annual Club Seat rate includes all Club Seat Program features and benefits, and tickets to events at Sam Boyd Stadium. Each Club Seat is \$2,500 and for the Coach's Club Seats on the 50 yard line the cost is \$3,500 per seat. All agreements are for a 3 year period.
