All of our Luxury Suites at Sam Boyd Stadium come fully equipped with refrigerator, sinks, cabinets, plush carpeting, private restrooms and luxurious seats. All of this while you are enjoying your favorite event in the comfort of an air condition or heated room that is glass enclosed. With every event we offer a varied menu of Food and Beverages. Suites come with 16 tickets and VIP parking passes. Entrance to the suite is from a private elevator.

If you have ever had the opportunity to visit one of these suites you know this is a perfect way to entertain friends, clients, employees or any group wanting a more personal touch. If you have never had a suite experience and want to know where they are located, just look above the crowd on the West side of the stadium. See those smiling faces behind the glass enclosed seats?
